Trip Cancellation/Trip Interruption: The Insurer will pay a benefit, up to the maximum shown on the Schedule of Coverage and Services, if You are prevented from taking or continuing Your covered Trip due to the following Unforeseen events:

- a) Sickness, Accidental Injury, or death of You, Your Traveling Companion, or a Family Member or Business Partner of You or Your Traveling Companion which results in medically imposed restrictions as certified by a Physician at the time of loss preventing Your continued participation in the Trip. A Physician must advise cancellation of the Trip on or before the Scheduled Departure Date.
- b) Strike that causes complete cessation of services for at least 24 consecutive hours.
- c) Weather which causes complete cessation of services of Your Common Carrier for at least 24 consecutive hours.
- d) You or Your Traveling Companion are terminated or laid off from employment subject to three years of continuous employment at the place of employment where terminated.
- e) You or Your Traveling Companion are hijacked, quarantined, required to serve on a jury, required to appear as a witness in a legal action, provided You or a Traveling Companion is not a party to the legal action or appearing as a law enforcement officer, subpoenaed, the victim of felonious assault within 10 days of departure; or having Your principal place of residence made uninhabitable by fire, flood, or other Natural Disaster; or burglary of Your principal place of residence within 10 days of departure.
- f) Bankruptcy or Default of Your Travel Supplier which occurs more than 14 days following Your Effective Date. Coverage is not provided for the Bankruptcy or Default of the agency from whom You purchased Your Land/Sea Arrangements. Benefits will be paid due to Bankruptcy or Default of an airline only if no alternate transportation is available. If alternate transportation is available, benefits will be limited to the change fee charged to allow the Insured to transfer to another airline in order to get to the Insured's intended destination.
- g) If within 30 days of Your departure, a politically motivated Terrorist Attack occurs within the territorial limits of the City listed on Your itinerary. The Terrorist Attack must occur after the Effective Date of Your Trip Cancellation coverage.

If the cancellation is not reported within the specified 72-hour period, the Company will not pay for additional charges which would not have been incurred had an Insured notified the Travel Supplier in the specified period. If the event prevents an Insured from reporting the cancellation, the 72-hour notice requirement does not apply; however, an Insured must, if requested, provide proof that said event prevented him or her from reporting the cancellation within the specified period.

Trip Cancellation (not applicable to the Post Departure Plan): non-refundable cancellation charges imposed by Your Travel Supplier and/or airfare cancellation charges for flights joining or departing Your Land/Sea Arrangements; or the additional costs You may incur as a result of a change in the per-person occupancy rate of prepaid travel arrangements if a person booked to share accommodations with You cancels his/her Trip for a covered reason and You do not cancel. You must have covered the entire cost of the Covered Trip including the airfare.

In no event shall the amount reimbursed exceed the lesser of the amount You pre-paid for Your Trip, or the maximum benefit shown on the Schedule of Coverage and Services; or the additional costs You may incur as a result of a change in the per-person occupancy rate of prepaid travel arrangements if a person booked to share accommodations with You cancels his/her Trip for a covered reason and You do not cancel.

Missed Connection: Covers missed Cruise or Trip departures which result from cancellation or delay (for three or more hours) of all regularly scheduled airline flights due to inclement weather or any Common Carrier-caused delay. Maximum benefits of up to the amount shown on the Schedule of Coverage and Services are provided to cover additional transportation expenses needed for You to join the departed Cruise or Trip, reasonable accommodations, and meal expenses and non-refundable payments for the unused portion of Your Cruise or Trip. Coverage will not be provided to individuals who are able to meet their scheduled departure but cancel their Trip due to Inclement Weather.

The Insurer will reimburse You for fees associated with the replacement of Your passport during Your Trip. Receipts are required for reimbursement.

Baggage Delay (Outward Journey Only): The Insurer will reimburse You for expenses for necessary personal effects, up to the maximum shown in the Schedule of Coverage and Services, if Your checked Baggage is delayed or misdirected by Common Carrier for more than 24 hours from the time You arrive at the destination stated on the ticket, except travel to final destination or Your place of residence. Part C - Medical Protection

Emergency Accident and Sickness Medical Expense: The Insurer will pay benefits up to the maximum shown on the Schedule of Coverage and Services, if You incur Covered Medical Expenses for Emergency Treatment as a result of an Accidental Injury which occurs on the covered Trip or a Sickness which first manifests itself during the covered Trip.

Emergency Treatment means necessary medical treatment, including services and supplies, which must be performed during the Covered Trip due to the serious and acute nature of the Accidental Injury or Sickness.

Covered Medical Expenses are necessary services and supplies which are recommended by the attending Physician. They include, but are not limited to: the services of a Physician; charges for Hospital confinement and use of operating rooms; charges for anesthetics (including administration); x-ray examinations or treatments, and laboratory tests ambulance service; and drugs, medicines, prosthetic and therapeutic services and supplies. The Insurer will not pay benefits in excess of the reasonable and customary charges. The Insurer will pay benefits, up to \$750.00, for emergency dental treatment for Accidental Injury to sound natural teeth. The Insurer will advance payment to a Hospital, up to the maximum shown on the Schedule of Coverage and Services, if needed to secure the Insured's admission to a Hospital because of Accidental Injury or Sickness.

Emergency Evacuation: The Insurer will pay, subject to the limitations set out herein, for Covered Emergency Evacuation Expenses reasonably incurred if You suffer an Injury or Emergency Sickness that warrants Your Emergency Evacuation while You are on a Trip. Benefits payable are subject to the Maximum Amount per person shown on the Schedule of Coverage and Services for all Emergency Evacuations due to all Injuries from the same Accident or all Emergency Sicknesses from the same or related causes. A legally licensed Physician, in coordination with the Assistance Company, must order the Emergency Evacuation and must certify that the severity of Your Injury or Emergency Sickness warrants Your Emergency Evacuation to the closest adequate medical facility. It must be determined that such Emergency Evacuation is required due to the inadequacy of local facilities. The certification and approval for Emergency Evacuation must be coordinated through the most direct and economical conveyance and route possible, such as air or land ambulance, or commercial airline carrier. Covered Emergency Evacuation Expenses are those for Medically Necessary Transportation, including reasonable and customary medical services and supplies incurred in connection with Your Emergency Evacuation. Expenses for Transportation must be: (a) recommended by the attending Physician; (b) required by the standard regulations of the conveyance transporting You and (c) reviewed and pre-approved by the Assistance Company; The Insurer will also pay reasonable and customary charges for escort expenses required by You, if You are disabled during a Trip and an escort is recommended in writing, by the Insured's attending Physician and must be pre-approved by the Assistance Company.

If You are hospitalized for more than 7 days following a Covered Emergency Evacuation Expense, the Insurer will pay subject to the limitations set out herein, for expenses:

- 1) to return to the United States where they reside, with an attendant if necessary, any of Your Dependent Children who were accompanying You when the Injury or Emergency Sickness occurred: but not to exceed the cost of a single one-way economy airfare ticket less the value of applied credit from any unused return travel tickets per person.
- 2) to bring one person chosen by You to and from the Hospital or other medical facility where You are confined if You are traveling alone: but not to exceed the cost of one round-trip economy airfare ticket.

The Insurer will also pay expenses to return You from the location to which You were Evacuated to Your return destination via Common Carrier, within one year from Your original Trip completion date. Commercial airfare costs will be in the same class of service, as Your original airline tickets, or in business or first class as in compliance with Your medical necessities and requirements upon Your discharge, less refunds from Your unused transportation tickets.

Emergency Evacuation means Your medical condition warrants immediate transportation from the place where You are injured or sick to the nearest Hospital where appropriate medical treatment can be obtained;

Emergency Sickness means an illness or disease, diagnosed by a legally licensed Physician, which meets all of the following criteria: (1) there is a present severe or acute symptom requiring immediate care and the failure to obtain such care could reasonably result in serious deterioration of Your condition or place Your life in jeopardy; (2) the severe or acute symptom occurs suddenly and unexpectedly; and (3) the severe or acute symptom occurs while Your coverage is in force and during Your Trip.

Transportation means any land, sea or air conveyance required to transport You during an Emergency Evacuation. Transportation includes, but is not limited to, Common Carrier, air ambulances, land ambulances and private motor vehicles.

CONTRACT. The policy, applications, riders, and endorsements, if any, make up the entire contract. No change in the policy is valid unless it is signed by an executive officer of the Insurer. No agent has the power to change this policy.

RECORDS. As required by the Insurer, the participating organization must keep a record of the insurance for all Insureds. The Insurer can inspect these records while coverage is in effect and for one year after it ends or until final adjustment and settlement of claims hereunder, whichever is later.

CLERICAL ERRORS. The Insurer will not deny or cancel coverage on an Insured because of clerical error by the participating organization or by the Insurer. After an error is found, the Insurer will take appropriate action. This may include adjusting, collecting, or refunding premium.

CONTESTING THIS POLICY. The Insurer relies on statements made by the participating organization in the application. If there is no fraud, the participating organization's statements: (a) are considered representations and not warranties; and (b) will not be used to void the policy or reduce any claim. The Insurer will not contest the policy after it has been in effect for two (2) years, except for fraud.

LEGAL ACTIONS. No legal action for a claim can be brought against us until sixty (60) days after we receive proof of loss. No legal action for a claim can be brought against us more than two (2) years after the time required for giving proof of loss.

CONTROLLING LAW. Any part of this policy that conflicts with the state law where the policy is issued is changed to meet the minimum requirements of that law.

MISREPRESENTATION AND FRAUD. Coverage as to an Insured shall be void if, whether before or after a loss, the Insured has concealed or misrepresented any material fact or circumstance concerning this policy or the subject thereof, or the interest of the Insured therein, or if the Insured commits fraud or false swearing in connection with any of the foregoing.

SUBROGATION. To the extent the Insurer pays for a loss suffered by an Insured, the Insurer will take over the rights and remedies the Insured had relating to the loss. This is known as subrogation. The Insured must help the Insurer to preserve its rights against those responsible for the loss. This may involve signing any papers and taking any other steps the Insurer may reasonably require. If the Insurer takes over an Insured's rights, the Insured must sign an appropriate subrogation form supplied by the Insurer.

ASSIGNMENT. This policy is not assignable but benefits may be assigned.

CANCELLATION AND NON-RENEWAL. PREMIUMS. The Insurer provides insurance in return for premium payments. Premium must be remitted on behalf of the Insureds to the Insurer or to its authorized representative.

AMOUNT OF PREMIUM. The amount of premium due from the participating organization is calculated by multiplying the number of Insureds in each class by the amounts due for the benefits for that class and adding the total amounts due for each class. The amount of premium due for each Insured is obtained by adding the total rate charged for each benefit provided for that Insured.

The arbitrators are precluded from awarding punitive, treble, or exemplary damages, however so denominated. If more than one Insured is involved in the same dispute arising out of the same policy and relating to the same loss or claim, all such Insureds will constitute and act as one party for the purposes of the arbitration. Nothing in this clause will be construed to impair the rights of the Insureds to assert several, rather than joint, claims or defenses. **This section does not apply to Kansas residents.**

CLAIMS. Death claims will be paid to the Insured's estate, unless we receive a written request from the Insured designating a named beneficiary. All other claims will be paid to the Insured. In the event the Insured is a minor,

All other claims will be paid to the Insured. In the event the Insured is a minor, incompetent, or otherwise unable to give a valid release for the claim, the Insurer may make arrangement to pay claims to the Insured's legal guardian, committee, or other qualified representative. All or a portion of all other benefits provided by this policy may, at the option of the Insurer, be paid directly to the provider of the service(s). All benefits not paid to the provider will be paid to the Insured. Any payment made in good faith will discharge the Insurer's liability to the extent of the claim. The applicable benefit amount will be reduced by the amount of benefits, if any, previously paid by other Insurance Policies. In no event will the Insurer reimburse the Insured for an amount greater than the amount paid by the Insured.

PHYSICAL EXAMINATION AND AUTOPSY. The Insurer, or its designated representative, at their own expense, have the right to have the Insured examined as often as reasonably necessary while a claim is pending.

Claims for lost property will be paid after the lapse of a reasonable time if the property has not been recovered. The Insured must present acceptable proof of loss and the value involved to the Insurer.

VALUATION. The Insurer will not pay more than the Actual Cash Value of the property at the time of loss. Damage will be estimated according to Actual Cash Value with proper deduction for depreciation. At no time will payment exceed what it would cost to repair or replace the property with material of like kind and quality.

DISAGREEMENT OVER SIZE OF LOSS. If there is a disagreement about the amount of the loss, either the Insured or the Insurer can make a written demand for an appraisal. After the demand, the Insured and the Insurer will each select their own competent appraiser. After examining the facts, each of the two appraisers will give an opinion on the amount of the loss. If they do not agree, they will select an arbitrator. Any figure agreed to by 2 of the 3 (the appraisers and the arbitrator) will be binding.
